Commissioner for Patents

The following action is taken in view of the amendment filed 9/5/07. The reply filed on 9/5/07 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has not provided reasons why the claims as amended define over the references to Chainer et al. Takaishi et al. and Lee as applied. It is noted that the discussed examiners amendment as pointed out in the previous office action (to define over Chainer et al.) was not entered in view of the newly discovered art to Hasagawa et al. that has been applied. Since this examiners amendment was not entered, applicant must make of record why the claims as presently amended define over each of the above noted applied art and examiners remarks concerning this art in the office action mailed 6/6/07. Examiner does note applicants arguments provided with respect to the newly applied reference to Hasagawa et al. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

In response to applicants request for a telephone interview, applicant is requested to contact the examiner if desired to discussed any amendment being made and remaining issues.
